

Chamber Member Appreciation

Mike Mitchell Tyrone Pest Control

At this time, we would like to recognise, Mr. Mike Mitchell for his contribution, as a board member, to the Prince Albert and District Chamber of Commerce. He has been instrumental in providing guidance and direction to the chamber staff. He has many years of experience running successful businesses and his perspective has been invaluable to the chamber.

All things considered, words fail to convey the gratitude in our hearts for this board member. He is a great example to us all and we hope to honour him, before our whole membership for the good work he has done, for the chamber and the business community.
