Board Chair Message

2020 will go down in history due to the COVID-19 pandemic and the associated local and global economic impact. The Prince Albert and District Chamber of Commerce held strong in our commitments to our members throughout this global health crisis, working diligently to turn challenges into opportunities.

Through the leadership of our governance board, our CEO Elise Hildebrandt and Chamber team we have provided constant communication, outreach, support, and resources to our members. As the voice of business in Prince Albert and District, we have been able to continue to advocate for local business at all levels during this unprecedented time.

Thank you to everyone from the business community who participated in our various surveys and events over the past year. We value your engagement, support, and diversity of opinions and viewpoints. Your feedback helps us build and promote a strong, networked business community.

Much gratitude goes out to our fellow governance board members for their ongoing commitment and representation of our membership. Their contribution of time and expertise cannot be understated. Thank you to Steve McLellan and our provincial Chamber counterparts for your support and guidance over the past year.

Finally, as we move forward into the last bit of 2020 and 2021 know that the Prince Albert and District Chamber of Commerce Board is actively looking for ways to support you and your business. We recognize how much COVID-19 has altered the way we all do our business. The Chamber continues to look for new ways to support you, to help you rebuild and grow.

We are advocating for you at all levels of Government and we look forward to continuing our relationship as we navigate our way forward.

Thank you,

CEO Message

Two years ago, the Chamber began with ambitious goals to bring members excellent opportunities for networking, business education, and increased engagement. A number of Lunch Series Luncheons, local speakers for PA@5, the State of the City Address, and our annual Legacy Brunch were hosted. In December 2019, to encourage people to 'shop local', we ran Christmas giveaway contests.

We reached out to City Council, voicing concerns about business taxation, and a new bylaw which intended to compel business owners to charge customers for paper bags. On these fronts, Council amended the paper/plastic bag bylaw to the benefit of business owners and defeated the motion to create new sub-classes in commercial taxes.

In March 2020, who could have imagined a pandemic would slow us down. Responding to it meant our office became busier than ever, assisting businesses to navigate through the confusion of new government programs. We provided resources on our website and facilitated online workshops where business owners could speak one on one with key government officials on a regular basis as the situation evolved.

We witnessed great resiliency from local businesses which have literally re-invented themselves 'on the fly', to maintain their customer base and stay in business. Many businesses discovered how well 'working from home' could work. Others created online stores to order from, and/or offered 'curbside pickup'. Like everyone else, the Chamber is working on creative ways to continue to deliver our services, and have introduced new tools to help promote local business to local consumers.

In the last two years, we have digitized information about the Chamber and opportunities the Prince Albert district offers through social media and a new website. Our message now reaches the world market. This includes the popular 'Curbside Conversations', hosted on the Prince Albert Chamber YouTube channel, where members talk about what's happening with their business.

As December 2020 approached, the Chamber collaborated with City of Prince Albert, Prince Albert Downtown Business Improvement District and Prince Albert Regional Economic Development Alliance to create the #ShopLocalYPA movement. Retailers reported a definite response to supporting local.

Like many other organizations, our signature event in 2020 was postponed. Recipients of the 2020 Samuel McLeod Awards were presented their awards in a hybrid gala, livestreamed from the E. A. Rawlinson Centre Feb 25th, 2021.

We know our business community excels at finding opportunity during adversity. At the Chamber we are here to support you. Give us a call, the coffee is always on.

Chamber Events

PA@5 is an opportunity to chat with local people who are sharing their stories to connect, inspire and educate us. Started in conjunction with the Prince Albert Young Professionals, and initially hosted at the Rock & Iron Bar and Grill, but with Covid, PA@5 became virtual.

Catch them live on the Prince Albert Chamber YouTube Channel at 5:30 on the 2nd Thursday of each month, September to May.

Chamber Events

The Prince Albert & District Chamber of Commerce is a group of men and women who work together to promote the efforts of local businesses through leadership in economic, social and political development.

Over 400 members bridge a variety of industries, specialties & interests.

We are a strong voice for the business community, binding everyone from entrepreneurs and small business owners to the region's biggest employers.

The goal is simple - to encourage the growth of the business region. We do this by building business networks, partnering for professional development and delivering events focused on business recognition, advocacy and networking.

We support the business region by championing growth in our regions economy, promoting our members, providing business solutions and keeping the community informed of relevant business information.

Advocacy & Forums

Held through the year, we believe all our members have a right to hear their leaders speak, at all levels of government. Hosted by the Chamber, with a few questions from us, we then open the floor to questions from the public.

State of the City Address

Held in January the Mayor gives an update as to what happening in the city. The projects the City is working on, what is being developed and what is being improved. This is the opportunity to connect with the Mayor and ask any questions you may have.

Lunch Series

PRINCE ALBERT & DISTRICT
Chamber of Commerce

Based on our annual survey to our members, we work to bring in monthly speakers that will help your business succeed. Speakers include Municipal, Provincial and/or Federal Politicians to local entrepreneurs. Topics cover everything from human resource needs to social media marketing.

2019 Golf Tournament

What would our year be like without a few laughs and some fun in the sun? It doesn't matter if you are an avid golfer or never golfed before, our annual Golf Tournament is held at one of our members' golf courses.

In 2019 we golfed 11 holes at the Cooke Municipal Golf Course. Deciding to try something different many of our holes had games and teamworking fun. At the hole sponsored by the Chamber, we brought some amazing props and asked everyone to pose. The tournament was followed by a steak supper at Rock and Iron.

What a great way to showcase your company, host your clients and associates, or network with other Chamber members. And we can't wait to meet you each out on the course again.

2020 Membership Appreciation Tailgate BBQ

Delayed until September, the 2020 Members Appreciation Barbecue had great weather and a great turn-out.

Chamber members enjoyed amazing **Premium Burgers** prepared by the Art Hauser Centre concession staff. It turned into a great socially distanced 'tailgate party'.

We appreciated our local suppliers of Old Dutch and Coca Cola products to round out the lunch.

Thanks also to all of the Chamber Board Members who came out to serve!

#ShopLocalYPA

Prince Albert answered the call to **#ShopLocalYPA** in 2020, with many residents declaring their decision to support **Locally Owned** businesses in person to store owners, and on social media.

The successful campaign, which included Christmas contest draws, was collaboratively launched by the Chamber of Commerce, the City of Prince Albert, the Prince Albert Downtown Business Improvement District and the Prince Albert Regional Economic Development Alliance.

We encourage everyone to continue supporting Locally Owned businesses.

"Fresh Air Experience greets me by name and makes me feel welcome. I shop local because businesses in our community benefit the community. Amazon does not benefit our community."

"Mosaic Music had great customer service and a great selection of stocking stuffers."

Amber B.

"Great customer service and great local made products at YPA Market"

Bonnie W.

"This store (Nutters) has such a variety of products that it makes a great stopping place if you are looking for something, but don't really know what. I first went here to get my baking supplies. Then I went back to get the little extras, like jams and packages of nuts to put in with Christmas presents. The staff is friendly and very helpful if you require assistance. Love the store."

Uta B.

"I purchased a beautiful table as a gift at Eclectic Upcycled Furniture and Decor in Prince Albert."

Sandra P.

"Love Claire Essentials and happy that East Hill Ezzo carries her products."

AGM 2019

The Annual General Meeting is held each year in September and provides an opportunity for our members to hear what happened in the last year, and what we have planned for the next year. It also provides members the opportunity to meet the Chamber Chair and the Board of Directors. And what AGM wouldn't be complete without some refreshments and networking.
